### **WBBSC Gate Access And Grounds Security:**

**With the security updates done across the club grounds, the only means of members accessing the grounds is to use your Gate Access Cards. WBBSC has made every attempt to contact members via email, phone, and even the mailing of orange notification postcards. (This is a reason for members to keep their contact information up to date with WBBSC!)**

Each member's card is unique and is electronically registered to the member/holder. These cards are not to be shared in any way. Apparently the sharing of the gate lock combination numbers and the access codes was widespread in the past. Non-members & other persons (who were not guests of club members) have been found on club property. Vandalism and the damage to club property became a weekly occurrence. As a result of these issues/concerns the WBBSC Board decided to install the new Gate Access System and Surveillance System across the club grounds. It was deemed necessary to protect WBBSC, its members, and our neighbors, now and for the future.

### **WBBSC Gate Access Cards:**

Members will be issued only one Gate Access Card. When a member renews their WBBSC membership the card will continue to be valid/activated. If a member decides to not renew their membership, their Gate Access Card will be de-activated/removed from service. Please treat this card like a charge card in that should it be lost or stolen, please contact WBBSC immediately. We will electronically deactivate the card and make arrangements for you to obtain a new/replacement card.

### **Gate Access Card Usage:**

At the gate keypad move your Gate Access Card near the reader/keypad until you hear a series of beeps. When you hear the beeps your card has been read & verified and the gate will open. If you do not hear the beeps your card may not have been read, so move it closer to the reader/keypad. When using ranges during off hours, please sign off on the clipboard in the stainless steel box, located near the Pistol Range.

### **High Power Rifle Range**

A Range Safety Barrier is present to signal that shooters or grounds keeping & maintenance workers may be down range. Please raise this barrier when going down range, or leaving the range, so as to indicate an unsafe condition. Use them for everyone's safety. In addition to the "Range Safety Barrier" rope, RED Warning lights and a switch have been installed in the covered high power rifle range. Please turn on the red lights when going down range when posting or removing targets. PLEASE make sure to turn off the red lights when leaving the range.

### **First Aid Kit**

There is a first aid kit located on a corner post of the pavilion by the Hi-Power & Rimfire Rifle Ranges. Please notify a WBBSC officer if you use any materials from this kit. As its supplies needs to be maintained

### **Heads Up Everyone**

Please ensure that your contact information (e-mail and mailing address) is updated and current. It is through emails, and this newsletter, that we will keep you up to date and informed. Please contact Rob Kubowski (262) 370-8662 [memberadmin@wbbsc.com](mailto:memberadmin@wbbsc.com) if your contact information has changed.

## **WBBSC Membership Applications**

We are still accepting new member applications. The new members will all be working members, requiring 24 hours of work per year. The base membership cost will be \$100, plus an additional \$174 if none of the 24 working hours are worked. Or a portion of the 24 hours should the entire 24 hours not be completed. The rate per hour is the current minimum wage \$7.25 per hour.

Any questions, or concerns, contact Rob Kubowski (262) 370-8662 email: memberadmin@wbbosc.com

## **Regarding Membership Work Hours**

Remember that you are responsible to get your work hours done for the year. This needs to be entered and signed off in the work hours binder behind the bar in the clubhouse. Sonny C. always has projects big and small for people to do, and he is usually around the club house during the day Monday - Friday. You can also see him at the Membership Meeting held on the 3rd Monday of every months at 7pm. Work hours for 2016 are closed out on the evening of Sunday November 13th. (The last Sunday of the Sight In weekends.)

### **100 YARD SMALLBORE (22 rimfire) F-CLASS**

Held monthly on the fourth Sunday. 2017 shoots begin on Sunday March 26th. Nine o'clock am start. See the WBBSC website and club calendars for all shoot dates. This is an NRA "style" Smallbore F-Class Match. The target will be the NRA A-33 fired twice at 100yds, 10 rounds each for the four scoring targets and unlimited sighters. Wind flags will be provided as personal wind flags are not allowed. We will have 2 classes, F-Open and F-TR. The cost of these "just for fun" matches is \$5 per gun. Or \$15.00 to have your scores sent to the NRA for certification. Visit [www.wbbosc.com/rifle.htm](http://www.wbbosc.com/rifle.htm) for more information, the latest match scores and examples of the targets used.

- Contact Ted Loehrke (920) 583-5625 or e-mail: tedloehrke@charter.net

## **SPORTING CLAYS & 5-STAND**

Jerry Ballering is the Sporting Clays director. He and others put a huge amount of work into the clays leagues and registered shoots. Please offer a "thank you" if you can. There are 100 Bird Registered shoots and 5-Stand 50 bird registered shoots throughout the year. WBBSC Sporting Clays League and Registered shoot dates are published on the WBBSC Calendar.

- Contact Jerry or Clint Dricken      email: [sportingclaysassistantdirector@wbbsc.com](mailto:sportingclaysassistantdirector@wbbsc.com)

## **22 RIMFIRE BENCHREST**

Held monthly on the fourth Sunday. 2017 shoots begin on Sunday March 26th. Eight o'clock am start time. These matches are shot off of a bench at 50 yards, using the IBR Rimfire 50 Yard target. See the WBBSC website and club calendars for all shoot dates. Members and public are welcome; come on out and shoot a match. \$5 per gun. Visit [www.wbbsc.com/rifle.htm](http://www.wbbsc.com/rifle.htm) for more information, the latest match scores and examples of the targets used.
